Style that stays stylish

VOU young tellows who know and like the smart distinction of style in the

clothes we sell, can best understand why we say so much about quality.

You want style; but what's the good of style that doesn't stay stylish? Do you know what it is that keeps these

clothes looking well, even after a whole season's wear? It's the most important thing to know about clothes.

All-wool fabrics first; there are plenty of clothes that are not all wool. Scientific shrinking by cold water; a process that cotton mixtures can't stand. The best tailoring; skilled hands shaping the garment, not just sewing seams together.

These are the things you get when you buy Hart Schaffner & Marx clothes here. They're the things you want to get.
